
RBdigital: How to Get Started

Before you download the RBdigital app on any device, register for an account. You cannot register with phone data. You will need to use a wired or WI-FI internet connection to register your account. Once registered, you may use phone data to access and download.

- Step 1 First time users will need to **click here** to be taken to the Moultrie-Colquitt County Library System RBdigital website.
- Step 2 Click on the Register button on the top right hand side of the page.
- Step 3 Fill in all of the information requested, including library card number, username, and password.
- Step 4 If you plan to only utilize RBdigital on your computer, then you are finished with setting up your account to view eBooks and eAudiobooks. Scroll to the bottom of the webpage and download the desktop app to view books on the computer!
- *If you plan to use RBdigital on other devices such as tablets or phones, proceed to step 5.*
- Step 5 Using your device, search the app store for the free RBdigital app and download it.
- Step 6 After installing the app and opening it, select your country from the menu and type in your username that you setup on the RBdigital website and click **Next**.
- Step 7 Type in your password and click **Next** again.
- Step 8 You should now be logged in on your device and are ready to browse the entire RBdigital eBook, eAudiobook, and eMagazine collection.
