

PROGRAM DESCRIPTIONS

Alien Invasion!—Aliens have taken over the library! Make alien themed crafts under the unearthly glow of black lights.

Blastoff Book Club—Prevent the effects of summer slide with this fun, biweekly book club focused on graphic novels for kids on 2nd-3rd grade reading levels. We'll talk about the assigned book then do a related activity.

Baby Bees—A gentle storytime experience for the youngest summer readers ages 0-3.

Take Me to Your Reader Storytime—Stories, songs, and activities for children ages 4-8 years.

Friday Matinee—Enjoy watching family favorites on a big screen.

Star Wars Escape Room and Lego Star Wars Day—

Solve the puzzles to escape the Star Wars themed escape room (free registration required. Teams of 4-6 people must include at least one adult. Call 229-985-6540 to register). Padawan builders can free build and master Jedi builders can construct brand new Star Wars Lego sets for display in the library, all while watching Star Wars: the Clone Wars on the big screen.

The Story Ship presents "Alien's Alive"—While reporting live, The Story Ship's science reporter, Sarah, is kidnapped by aliens and trapped on a spaceship! Use music, dance, and magic to help get her back in this fun, interactive show.

Dr. Magical Balloons—Dewayne Reynolds is back for out of this world balloon fun!

Animal Tales—A hands-on learning experience featuring exotic wildlife from all over the globe.

Superhero Universe—Make your own mask and cape and complete "super" challenges to save the universe. Costumes encouraged.

Gravity Art—Harness the force of gravity to make beautiful art. Please dress for mess.

Mission to the Moon—Build your own lunar landing module, then experience the Apollo 11 mission with SMALLab and VR360 video.

Bright Star Theatre presents Jack's Adventure in Space—A young student named Jack puts his imagination to work to take him on an out-of-this-world adventure through the solar system!

Bright Star Theatre presents "One Small Step..."—This tale marks the history of flight and space travel from the ancient tale of Icarus, to the first flights of the Wright Brothers on the beaches at Kitty Hawk, to the Great Space Race of the 1960s and beyond!

DIY Planetarium—Design your own constellation and add it to our amazing walk-in DIY planetarium.

Library Space Camp—Make your own space helmet, see Mars in 3D, and train like an astronaut by completing mission challenges.
