

Clan MacKinnon Society

Materials on file in the Odom Library

***This does not include shelved books which may be found using the [PINES](#) Catalog. Every document in the Genealogy Department is reference only and may not leave the library unless the Clan has established other policies.

The following is an *informal listing* of topics of materials placed in our files in numbered folders. For further explanations or descriptions, please contact us at mccls@mccls.org. Your question will be delivered to the appropriate person.

For more information on [Clan MacKinnon Society](#) see <http://www.themackinnon.com>
